Some of the key achievements/ initiatives by this Ministry during the month of April, 2023 are as under:

1. Hon'ble Union Minister of Education and Skill Development & Entrepreneurship (MSDE), Shri Dharmendra Pradhan unveiled the digital version of the Employability Skills curriculum for students enrolled in India's Industrial Training Institutes (ITIs) at the Future Skills Forum in New Delhi on 11-04-2023. The Future Skills Forum - is an initiative of the Future Right Skills Network (FRSN) a collaborative effort by QUEST Alliance, Accenture, Cisco, and J.P. Morgan. It brings together government skills training institutions, civil society organisations, industry and corporate social responsibility partners to help young people acquire critical skills for the future. Aimed at fulfilling the need for anytime, anywhere learning, these modules will be accessible to more than 2.5 million learners through the Government of India's Bharat Skills Portal as well as other platforms.
2. The MSDE and the Ministry of Education (MoE) have organized Future of Work exhibition on the sidelines of the 3rd Education Working Group (EdWG) meeting under G20 presidency from April 23rd to 28th at CSIR-Institute of Minerals and Materials Technology (IMMT), Bhubaneswar, Odisha, inaugurated by Shri Dharmendra Pradhan, Union Minister for Education and Skill Development & Entrepreneurship. During the exhibition, more than 100 exhibitors from India and G20 member countries demonstrated their products, publications, artefacts, and other promotional materials to the attendees visiting the exhibition. These exhibitors include organizations offering new-age products/technology, companies in traditional crafts sectors adopting technology, institutions providing future skills and education, and think tanks.
3. Hon'ble Minister of State, Skill Development and Entrepreneurship, and Electronics and Information Technology inaugurated the Day 2 of one of its kind Future of Work exhibition under 3<sup>rd</sup> Education Working Group (EdWG) meeting on 24-04-2023. While addressing the gathering, MoS said that the conference is focusing on intersection of logistics, coastal economies and sustainability and is integral in the context of skilling in coastal economies. He further said that logistics will be an area full of opportunities for young Indians in the coming years, as much as Semiconductors, electronics, and Information technology.
4. Pradhan Mantri National Apprenticeship Mela (PMNAM): States/UTs have been advised to organize PMNAM every 2nd Monday in 1/3 of total number of districts in the State so that all districts are covered once in a quarter, and four times in a year. States/UTs have been given with the flexibility for choosing the district/location and the day of Mela based on local conditions/festivals, etc. Accordingly, for the month of March, PMNAM was organized on 10.04.2023. With this, so far PMNAMs have been organized in 2,066 locations in the country since the month of June, 2022. Cumulatively, candidates footfall have reached 3.09 lakh and establishments participated in PMNAM stands at 16,985. PMNAM also acts as an advocacy platform for apprenticeship training. Post PMNAM every month, apprenticeship contracts were

tracked for next 20 days and 3.95 lakh apprenticeship contracts were found generated; which may also include contract generated outside PMNAMs.
